OKANA

The Organisation Against Drugs operates in Greece and offers services in the following sectors:

- Drug use prevention
- Drug dependency treatment
- Drug user rehabilitation

PREVENTION

If you are a parent and care about your child's future, if you are young and are searching for healthy outlets to your problems, if you are concerned about your future and want answers, find your nearest Prevention Centre and find out what you can do about things. Contact numbers:

- For Prevention Centres in Northern Greece 2310-545464
- For Prevention Centres in Attica and the rest of Greece – 210 - 8898241
- For the OKANA Helpline – 1031
